Dear Jerry:

Things are hectic here at the moment so I better get this off to you before I start squiring Arthur and Gary around.

During one of our discussions during the last bureau chiefs conference you asked me to talk with [redacted] re [redacted] I did have that talk--a month ago at least--and you can inform Leroy that John would welcome a visit in Athens from him at any time. In fact, it probably would be mutually beneficial if John were aware of the FBIS support available to him through Leroy's bureau, as well as the current FBIS arrangements and plans in that part of the world. John also mentioned that he would like to visit the Nicosia Bureau at some time.

[redacted] is a down-to-earth individual and very professional despite his rough-hewn manner. As you know, he and I had a marvelous relationship here, and Leroy should have no problem in getting along with him. I can't remember exactly when John arrives in Athens, but it must be early fall at the latest.

See you on the 25th.

Sincerely,

25X1
